“RV Club and Association” Code Communication to Agents

We’re America’s #1 RV Insurance Specialist!” and, quoting our RV policies just got easier.

That’s because we’ve condensed all of our different RV “Affinity Group Codes” into a single code. You’ll no longer have to look for a particular RV club or association designation since all codes are conveniently covered by this new selection option.

It’s simple. The next time you’re quoting a GMAC Insurance RV policy and you’re at the “Affinity Group Code” drop-down of eAgency.

- Select “RV Club Members” if the customer is affiliated with an RV club association
- Select “RV Broadmarket” if the customer is not affiliated with an RV club or association
