

THE FULL STORY

NEW Solutions for Financial Services

This is a time of tremendous change in the financial services industry, with many challenges, including regulatory pressure, cyber threats, robo-advisors and a DIY mindset. We understand these challenges and have designed a full suite of tools – appetite guidance, simple coverage descriptions and marketing materials – to help you win more business with financial services firms.

Travelers offers coverages designed specifically for financial services providers. By combining **Master PacSM** with our policy enhancements, you can provide tailored coverage solutions for your clients, including:

- **Higher limits** on key coverages
- **Billable Hours reimbursement** for lost time
- **Valuable Records coverage** to help restore client relationships (\$350,000 blanket limit with Premier)
- **Professional Services Premier** for best-in-class coverage enhancement
- **Professional Liability** for negligent acts, errors or omissions*

Trying to find the right insurance solution is one headache your clients don't need. That's why we're here.

Here are a few tools to help you explain why Travelers is the smart choice to protect your clients' businesses.
