Dear Agents:

The last couple of days, weeks and the uncertain future has caused many variables for our industry. The unprecedented nature of the COVID-19 virus is most likely creating questions you have on how we will be responding to coverages and other important topics pertaining to your insureds. We are in the process of implementing a plan to comply with public health orders.

In addition, Stroud National Agency, Inc. is taking strong precautions to protect our employees. Please continue to contact us at the same number you always use, 800-654-4056. Some of us will be working remotely but our office will remain open. We are here and will continue to support your agency.

Feel free to contact us if you have any questions.

Sincerely yours,

Steve B. Stroud, CEO
