Your equipment investment goes beyond the machine, and so should your insurance. Today’s irrigation systems are increasingly complex and your business relies on them day after day. Chubb recognizes this and offers the tailored insurance solutions and services you need to protect your equipment against damages caused by weather-related catastrophes, mechanical breakdown, and so much more—so you can keep your operation running smoothly.

Features and Benefits

- Scheduled irrigation equipment and its components are considered a system; supporting equipment does not need to be individually listed
- Valuation is Replacement Cost; Actual Cash Value and Stated Value options are available
- No age restriction for Replacement Cost or Mechanical Breakdown
- Several per-occurrence deductible options available
- Blanket Loss Payee included

Policy Highlights

- \$100,000 newly acquired equipment (180 days)
- \$25,000 inventory or appraisals
- \$25,000 pollutant cleanup (annual aggregate)
- \$25,000 leased, rented, or borrowed equipment from others
- \$10,000 fire protection equipment refill
- \$25,000 fire department service charges
- Debris removal available

Target Equipment

- Pivot irrigation systems
- Drip irrigation systems
- Flood irrigation systems
- Linear irrigation systems

Service Offerings

- Experienced and responsive underwriting specialists with specialized agricultural equipment expertise
- Claims professionals with experience quickly adjusting irrigation equipment losses
- Long-tenured risk engineers with agricultural equipment knowledge and a firm understanding of the unique exposures facing the industry
